

LIMESTONE COAST
DIVISION OF GENERAL PRACTICE

PENOLA MEDICAL CENTRE

About our Clinic

Our Practices' are fully accredited with Australian General Practice Accreditation Limited (AGPAL). Penola and Nangwarry are recognised as a rural practice. Penola is located 50km's from Mount Gambier and our branch practice in Nangwarry is 32km's from Mount Gambier.

Our consulting hours are

Penola

9am to 5pm Monday to Friday

Nangwarry

Tuesday, Thursday and Friday From 10am

We offer 3 consulting rooms with adjoining examination rooms in Penola and 1 consulting room with adjoining examination room in Nangwarry. We are currently running computerised appointments, accounts and typing of administrative function along with plans for implementing computerised Medical Records within the next 12 months. Currently we use Medical Director as our Software for patient medical records and Zed med for our appointments and billing package.

The Practice has a Practice Nurse and focuses on preventative medicine through the use of a recall and reminder system. The Doctors provide an after hours service is the Penola War Memorial Hospital.

The two full time doctors provide outpatient and 24 hours on call services to Penola War Memorial Hospital.

Support Services in the Area
